

Creating YouTube channel and uploading video

Creating Youtube channel :

To create a YouTube channel, follow the steps listed below:

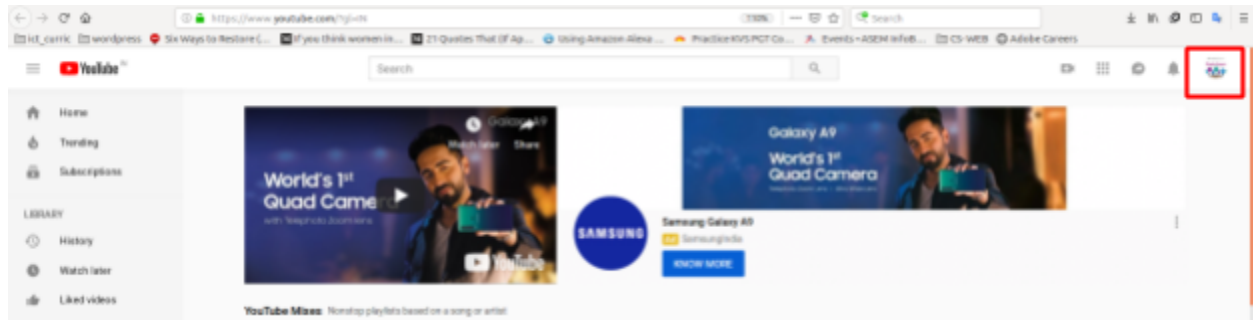

1. Open the browser and go to <https://www.youtube.com/> .
2. Click on “SIGN IN” on the top right corner of the screen.

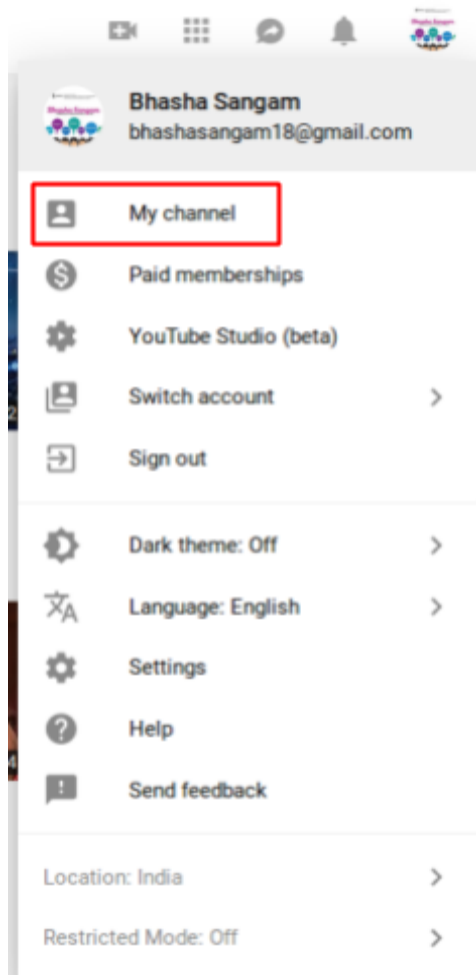

3. For signing in to youtube, a Youtube/ Gmail account is required. It is better to create a gmail account so that it can be used for all google services. If you do not have a gmail account, first create a gmail account and then proceed with the next step.

A screenshot of the Google Sign in page. At the top is the Google logo. Below it, the text reads 'Sign in to continue to YouTube'. There is an input field labeled 'Email or phone' with a cursor. Below the input field are links for 'Forgot email?', 'Not your computer? Use a Private Window to sign in.', and 'Learn more'. At the bottom left is a link for 'Create account', and at the bottom right is a blue 'Next' button.

4. Using the Gmail ID and password sign into youtube. Once signed into, the homepage of youtube would be displayed. Click on your account icon , given on top right corner as shown below:

5. The following menu would appear. Click on “My Channel”.

6. A prompt would appear to create a channel. Give an appropriate name of the YouTube channel and then click on “CREATE CHANNEL”. The channel gets created.
